

**The Yukon River Panel
Salmon Restoration & Enhancement (R&E) Fund**

**Call for 2012 Conceptual Project Proposals for salmon
related projects that involve:**

1. The conservation, restoration and enhancement of salmon stocks of Canadian origin in the Yukon River system in the Yukon Territory and in Alaska.
2. Stewardship and training in the Yukon Territory.
3. Communications and public outreach in the Yukon Territory and in Alaska.

The first step in this Call is the submittal of brief conceptual proposals that are consistent with long-term R&E Fund goals and with 2012 near-term priorities. Deadline for “Conceptual Proposal” forms is **October 7, 2011**. More information and “Conceptual Proposal” forms available online at www.yukonriverpanel.com or call Angus Mackay in Vancouver, BC at 604 684-8081.
